## April Letter, Rev. Glen Gardner Writes.

I can't believe as I sit writing this letter that Easter is here in a few weeks. Because despite lockdown we only just seemed to have put away the last of the Christmas decorations. However, the daffodils are out in force and we have just had Mother's Day, so spring is definitely here. I love watching the seasons change and I love the wonderful Christian festivals that the changing seasons usher in, and while despite lockdown I still loved Christmas for the fun and fellowship it brought on Zoom and for the joy of Midnight Mass on Christmas Eve in church; Easter has a totally different meaning for me and many other Christians. Firstly, Lent gives us the opportunity to reflect on our life and to look again at our relationship with God, we have a chance to make adjustments, to perhaps give something we enjoy up for a while and spend more time with God in Prayer, or perhaps this year to have joined our Wellbeing Lent Course.

It's nice in a way too this year that there isn't the same amount of consumerism that usually surrounds Easter and that this gives us a little more time to consider the spiritual side of Easter, the most important and holiest of the Christian Festivals. Easter is a wonderful and awe - inspiring time when we remember the words of John 3:16.

***For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.***

Through Jesus' sacrifice, his death and resurrection we have been given the gift of eternal life. What a fantastic and amazing gift!

It's lovely isn't it to give or receive the gift of chocolate eggs at Easter? But, I'm sure like me you have noticed that each year those eggs get smaller and smaller and the contents change. Take Cadbury's cream eggs, I absolutely love them, so don't get me wrong, but they get smaller year by year, don't they? In contrast our God offers us a fantastic gift that doesn't diminish with the years, or change in substance. The love God shows us with his gift of eternal life cannot be bought like a chocolate egg, it is freely given. How good it would be if we could all this Easter at least once say a special thank you to Jesus, for his sacrifice and for giving us that eternal life, surely the greatest of all gifts.

Continued overleaf

Of course, we still don't know for certain when lockdown will end, but we do know that it will and of course we all have hope that it will come soon. We hope we will be out and about again, able to be with all our family and friends. We hope we will soon be able to meet for worship in person again. In fact, we all live in hope. The death and resurrection of our Saviour Jesus Christ, demonstrates the depth of His love for us and gives us renewed hope, both for now on earth and for eternal life in Heaven. Easter Sunday reminds us of the gift of Easter hope and love. Hope and love to support us through these difficult times, and lead us to new life that is richer, deeper and closer to God.

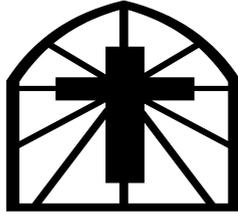

**Have a very happy and blessed Easter, Glen.**

**Short Note: Sorry but at the time of writing this we are unable to confirm service details. We think everyone including Bishop Paul is awaiting further details from The Church of England. Glen.**

### **PARKING ALONG SUMMERWOOD LANE**

Cars parking either side of Summerwood Lane at school times and when funerals and weddings are taking place at St Cuthbert's are causing an obstruction and prevent large vehicles, including the emergency services from passing through.

Please use the Memorial Hall car park whenever possible.

### **PARKING ON NEW STREET NEAR TO THE JUNCTION WITH CARR MOSS LANE**

This is creating a dangerous situation for cars trying to turn out of Carr Moss Lane because their line of sight is obstructed and we would ask that people refrain from parking so close to the junction before a serious accident occurs.

## **NEWS FROM YOUR PARISH COUNCIL continued**

### **PARKING ON CARR MOSS LANE NEAR TO THE JUNCTION WITH LINEKAR DRIVE**

The Parish Council would ask people to use some common sense when parking their cars and not to park so close to the junction as to restrict residents of Linekar Drive from being able to see oncoming cars approaching from both directions when exiting the drive.

### **PARKING ALONG SEGARS LANE**

Cars double parking and parking on pavements are causing problems along Segars Lane. Can residents please park in their driveways if possible and leave enough room when parking on pavements to allow prams and wheelchairs to get through.

### **PARKING ALONG MOSS ROAD**

### Halsall's other patron saint.

In medieval times churches dedicated to a patron saint often had an effigy of their saint close to the main altar or in a side chapel. Halsall today has a statue of St Cuthbert in a crocheted niche on the left side of the altar as you view. This effigy is fairly recent and was installed after a visit by the Archdeacon of Liverpool Cyril Twitchett in the 1930's who thought that the empty stone niche should contain an effigy of the patron saint. It is thought that the original effigy was removed from the church during the Reformation. Some have suggested it may now be found on the pulpit at Our Lady Roman Catholic Church in Lydiate. The image there is a medieval statue of a bishop in alabaster. Its dimensions are small and it is more likely that this image was removed from Lydiate chapel.

The image of St Cuthbert on the entrance to the porch in Halsall shows St Cuthbert with the head of Oswald the King of Northumbria. He became St Oswald and legend has it that when St Cuthbert's body was moved, to prevent it being captured by Vikings, they found the head of Oswald in the coffin with Cuthbert. The mission hall in Barton built in the 1880's was dedicated to St Oswald. It burnt down in 1965 but the stained glass, from Barton mission with Oswald's crest, was removed to the rector's vestry where it remains. There is also a small engraving in the glass on a north side window in the nave recalling the Barton mission.

Most churches also had a space dedicated to Mary the mother of Jesus Christ, she was the other patron saint and as such was venerated on a side altar. In cathedrals this was often a very elaborate Lady Chapel, in parish churches it might be a chantry chapel or a statue may be in a niche alongside the altar as it was for St Cuthbert. If you look closely at the stone work to the right of the altar you will see that different stones have replaced the originals in the wall at a height of about 1.7 metres almost replicating the dimensions of the carved and crocheted niche on the left. I have written before that Halsall church suffered only superficial damage due to iconoclasts after the Reformation in the 16th century. It cannot be proven now but a matching elaborately carved niche similar to that on the other side may have been destroyed and also the statue within. It is speculation as to whether this occurred at the Reformation or during Cromwell's Commonwealth.

In addition to a possible statue of Our Lady, a chantry chapel to St Mary the Virgin was founded by Sir Henry Halsall Knight and was located in the northern aisle, where now the candle offerings are made. The chapel became an important place to convey business and so in 1529 the boundaries between Downholland and Formby were sworn before the chapel of St Mary in Halsall church by local gentlemen, in front of notary Brian Garnett of Chester. Sir Henry died in 1523 and he lies in the tomb on the south side of the sanctuary. Money was left for the chantry priest Thomas Norris to say masses for his soul.

In 1529 Henry Orshaw of Lydiate complained that Thomas, the son of Henry Halsall had ousted him from his freeholding in Lydiate. The land had been bought in 1520 by Sir Henry Halsall and given to found the chantry in Halsall church. Chantry chapels were suppressed by Henrician reforms during the Reformation and the Chancellor Thomas Cromwell was anxious to get his hands on chantry legacies. At the dissolution, Halsall Church had to pay two pounds four shillings and eight pence to the Duchy of Lancaster for the chantry of the Blessed Virgin Mary at Halsall. However the chantry chapels were reinstated when Queen Mary 1st came to the throne in 1553 before being suppressed again under Elizabeth's 1st reign.

## Halsall St Cuthbert's Update

### **Return to School**

It was so great for all the staff to see the children again and feel the buzz and excitement of a typical school day. Everyone returned with big smiley faces, none bigger though than many of the parents. The children had certainly missed playing with their friends.

In the three weeks up to the Easter break, staff concentrated on assessing the children and were busy administering a wide range of tests. These allowed us to identify specific children who will benefit from our intensive, catch-up intervention programmes in English and mathematics.

### **Admissions**

All applications for a place in the reception class in September have been ranked using the agreed Admissions Criteria. The LEA should be contacting parents in early April with offers of places.

If anyone wants their child to attend Halsall St Cuthbert's but isn't initially offered a place, please do not despair. Get in touch as soon as possible as we can sometimes be flexible.

### **Holidays**

We are still waiting for confirmation from the government, as to whether residential PGL trips will be allowed in the summer term. We hope and pray that things continue to improve and we have positive news soon. Our year 4 and year 5 PGL trips will be great opportunities for the children to get away, lay their hair down and have a great time.

Similarly, we are awaiting news from the Welsh government about the opening its tourism and leisure activities. We desperately hope to be able to take our year 6 children on holiday to Llandudno in June.

## **Thankyous**

On behalf of the governors and parents, I would like to say a massive thankyou to the teachers and their teaching assistants who worked tirelessly throughout the latest lockdown period. The quality of planning, the preparation of learning materials and their support both online and on the telephone, was second to none.

On behalf of the governors and staff, I would also like to say a thank you to the children's parents, carers and their families, many of whom have been heavily involved in supporting the children with their remote learning. This was an immense challenge in so many ways and without that commitment, the children wouldn't have been so well-prepared for the return to school.

## **Out-of-Hours Provision**

Our wrap-around childcare provision is already in full swing, with the Breakfast Club open from 7-30am each morning and the After-School Club open from 3-30pm until 5-30pm each afternoon. When we return after the Easter holidays, we will also resume our after-school sports clubs and there should be activities/clubs on each night through the summer term.

Doug Scholes (Head Teacher)

On the following pages are some impressive examples of work by some of the children at Halsall St Cuthbert's School.

The written pieces were all beautifully handwritten but due to concerns about how clearly they could be reproduced in the magazine the children word processed them ready for publication. Thank you for sharing your work with us.

## Should Animals be Kept in Zoos?

Some people believe zoos are bad for animals as it takes them away from their natural habitat to be stuck in a cage, bored. Other people believe zoos are a lovely day out with your family.

On one hand, zoos are good for animals. For example, animals get provided with food so they don't die. Another reason is, if the animals get hurt or sick, they have 24-hour access to the vet. Furthermore, zoo keepers are specially trained to look after the animals. Finally, it gives a chance for children and adults to see animals up close.

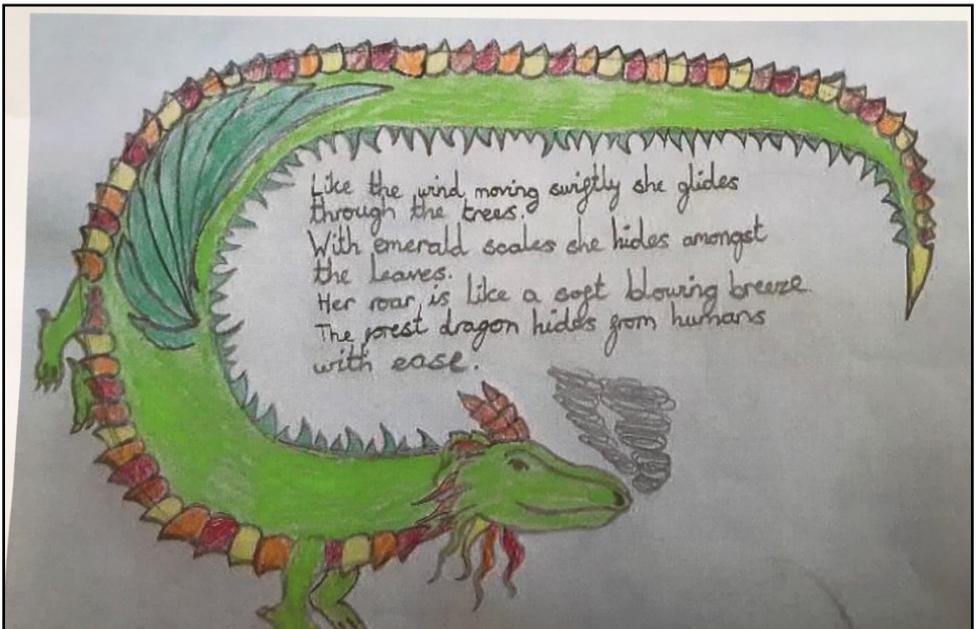

On the other hand, animals may get bored. Because of Covid, the zoos have been closed so the animals are stuck in cages all day. Also, animals are not in their natural habitats or with their families. Another argument against is, children and adults might harm the animals by throwing food and wrappers. My last reason is, zoos may close with Covid because they're not getting paid money so animals will have nowhere to go as they can't be released into the wild.

In conclusion, there are many reasons for and against zoos. Animals are kept in cages all day with nothing to do when they could be playing outside with their families. I believe zoos are bad for animals because they might not like staying in cages without their mum or family.

## Should Breakdancing be an Olympic Sport?

Considerable debate is taking place about whether breakdancing should be included in the Olympic games in Paris, 2024. Breakdancing originated in New York, USA around the late 1960's. Dancing to the popular music, "hip hop", the moves evolved into a unique dance style, including actions such as "the worm", "helicopter" and "coffee grinder". Some people believe that as it is popular around the world, it should be granted the title of an Olympic event. This text will consider both sides of the argument.

On one hand, breakdancing is a good sport and is popular around the world. If it was included, more younger people would want to join the Olympics and take part in breakdancing. It makes the Olympics more relevant and modern, which would encourage more people to join. A further point is that it's great exercise and can get youngsters and other people to get active and fit. There is no doubt that anyone and everyone could breakdance if they wanted to. It is fun, cheap and you don't need expensive equipment to do it. Furthermore, you can do it anywhere and everywhere. You can have fun doing it, save your money, get active and join the Olympics. What more could you want?

On the other hand, a considerable amount of people who breakdance don't want the sport in the Olympics because they say the people overseeing it don't understand its culture and history. They know the sport very well and have been doing it a long time, so for people who see it for the first time, they would feel that the people watching wouldn't know if they went wrong or if it was perfect. Moreover, it can be dangerous and lots of people get injured whilst trying all the different moves. The Olympic games' organisers wouldn't want to get first aid every time someone did the move wrong. Finally, if breakdancing was introduced to the Olympic games, it could take the place of a more traditional sport -which has been here for longer- and that's not fair on the athletes doing the traditional sport that's been replaced by breakdancing.

## Treasure Island Summary

### Chapter 5

Early the next morning, as daylight breaks, the sun reveals an island of no paradise, instead, treasure island appears to be a grey, grim and ghastly place of withering trees and barren terrain. Out of the sea, Captain Smollett, Squire Trelawney, Doctor Livesey and the three faithful sailors were escaping from the Hispaniola, desperately rowing towards the island. Meanwhile, Jim (who had hidden in another rowing boat the night before, which was taken to shore by some of the pirates) had now safely sneaked off and was already exploring the island. Hearing gunshots, he looks down at the shore seeing the others fleeing for their lives, then, all of a sudden, from behind his back, a savage looking old man with a frenzied look in his eyes, jumps out. With a club raised in one hand he asks if Jim is a pirate. Relieved to hear that Jim is not a pirate, Ben Gunn introduces himself and tells his story to the boy. Once a sailor for Long John Silver and Captain Flint, he had buried treasure on the island, having returned years later, promising a new crew of the treasure, he failed to find it and was marooned as punishment. But before he could reveal more, a cannon ball was fired and Ben Gunn was gone. Jim looked into the distance and saw a Union Jack flying; the others were alive!

## **Gardener`s Corner**

### **April at-a-glance**

April is the month when the blossom is out in force with everything from flowering cherries to garden fruit trees all making a beautiful show. Mild April weather can make you think summer is here but sharp frosts can still catch you out. Be careful not to plant out tender plants yet unless you can cover with fleece. Enjoy mild sunny days – spring is just around the corner. Happy Gardening.

### **General Garden Tasks**

Spring clean borders, keep on top off weeding & hoeing.

Feed roses, borders, hedges, trees & shrubs with a general-purpose fertiliser.

Treat moss & weeds & re-seed bare patches.

Plant or move evergreen shrubs.

Feed acid loving plants.

Prune winter jasmine and hydrangea; tie in shoots of rambling roses & clematis.

Wait for six weeks (if you can) after flowers of spring bulbs are over before cutting foliage down.

Towards the end of the month, plant dormant dahlia tubers outside.

Plant new alpines & top up scree beds or troughs with gravel.

I run a jigsaw club from my home in Scarisbrick. I have over 200 jigsaws available to lend out which has proved very popular during lockdown. I read that the virus can stay on cardboard for 24 hours so all jigsaws are quarantined for 72 hours before being lent out. Being close to the Morris Dancers, I am well positioned for people to swap jigsaws on their journey to/from hospitals/shops.

Its free to join and free to borrow. We just ask for a donation of a jigsaw then you can borrow and return as many jigsaws as often as you like. I have done over 60 jigsaws since lockdown began so it has saved many of us a lot of money. I have attached the link below.

<https://www.facebook.com/groups/1526267210867010>

If anyone has any jigsaws they could donate,  
I will happily collect. Thank you.

Sue Charnock
