Coffee mornings

Tuesday 3rd September and Tuesday 1st October 2024 10 -11.30am

Meet old friends and make some new ones and take the opportunity to have a quiet moment in church. If you know someone who is lonely why not bring them along? They will be assured of a warm welcome.

Christian Chatter - Tuesday September 24th and October 22nd 7.30 - 8.30pm

Following on from the successful Lent course, why not come and join an informal chat as we continue to explore the Sermon on the Mount?

The Rector Writes

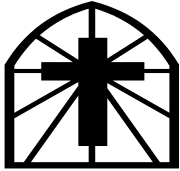

Monday 29th July 2024 is a date that will be etched in people's memories, forever associated with three young girls being stabbed to death, as they attended a Taylor Swift dance-themed event at the start of the school holidays.

That such a tragedy should happen in Southport has shocked many people. 'It couldn't happen here...' There is no way we can make sense of such a random and indiscriminate act of violence. We cannot comprehend the circumstances that left three children dead and others fighting for their lives in hospital. The fact that such an act was carried out by a 17 year old, acting alone, only adds to our confusion. And it is not for us to make sense of it, that will be for the police and the courts, as evidence and facts become apparent.

Our response as communities must be to lament the deaths of Bebe, Elsie and Alice, coming together in solidarity with all those who have been bereaved, injured or traumatised. To pray as we can, to light candles and to commit to being kind to those around us. To stand together and acknowledge all those who have seen things they should never have had to see. To applaud all those who ran into danger and who rescued and protected so many. To be alongside those for whom the events of that Monday reignite painful memories of their own stories.

We must strive to stand up for hope, overcome anger and resist all attempts to divide communities. We cannot know what caused a young man to take a knife and stab so many – but we must not let his acts divide us through fear and recrimination. Each of us needs to remain a beacon of hope and love. We must be bearers of light in a dark world. Our place is to be alongside all those across our communities who are hurting so much. And we must pray for an outpouring of God's love, to enable communities and individuals to find a peace beyond understanding; to find the strength to heal in the months and years to come.

Susan

WE NEED YOUR SUPPORT

PARISH GIVING SCHEME

Prayer and worship is at the heart of all we do.

It is only with the generosity of our community that we can sustain our wonderful church and keep our clergy.

St Cuthbert's is responsible for funding everything we do as a church. Despite what some people think none of our activities are directly funded by the Diocese or the National Church.

You can use the Parish Giving Scheme to make one off donations by scanning this QR code.

FRIENDS OF ST CUTHBERT'S

You can also support St Cuthbert's by becoming "a friend".

All the funds raised through this scheme are directed to the maintenance and repair of the church building and grounds.

There is a minimum donation of £20 per year to join, but you can then choose how much and how regularly you donate.

For further information please contact info@halsallstcuthbert.co.uk

Thank you for supporting us.

Without you we cannot be the church we aspire to be.

The Queen of Barton

Annie McCoy, who became Ann Moorcroft when she married Jack Moorcroft in September 1940 at the age of 34, had no children. She was the Superintendent of the mission church in Barton and lived in Station Road. With her brother George and his wife Marie, she encouraged the local children to attend the Sunday school in St Oswald's mission. The mission building acted like a small parish hall for the villagers and few found it necessary to go up to St Cuthbert's parish church 20 minutes walk away because services were held at the mission and Annie played all the hymns on the harmonium. The mission had its own team including a lay reader Harold Nelson, with whom Annie had a good working relationship. The children found it a great place to be with other children.

She was the main impetus behind the Rose Queen fete, the most important date in Barton's year and began organising the event in the early 1930's. It was at the Mission that Annie and the Rose Queen committee chose the Queen and her attendants and organised the dresses. Annie had a wonderful rapport with the children and taught the retinue to dance the minuet. She also taught the morris dancers and the maypole dancers and accompanied the dances on her harmonium, playing the music time and time again in the practices. She was an inspiration to the

villagers and they followed her lead in becoming involved. On the Rose Queen day, usually the first Saturday in July, she organised the refreshments and the sideshows which included tug of war and sprinting races for the adults as well as games such as 'the coconut shy and tombola'. She began to organise the next Rose Queen event the day after it took place. Annie was always very concerned that the day would be special for all the children taking part. Annie gave this commitment for over 30 years, her enthusiasm was infectious. Annie died in 1975 after a stroke and complications at the age of 69 and was buried in St Cuthbert's churchyard. In her own way she was a Queen of Barton.

Halsall St Cuthbert's September Report

Kenyon Shields

These children really impressed the staff in the summer term. Well done to them. They should be proud of themselves. Congratulations.

Reception : Dominic Walker

Year 1 : Malachy Evers O'Reilly

Year 2 : William Roberts

Year 3 : Annabella Tierney

Year 4 : Isla Tedham

Year 5 : William Singleton

Isaac also won the Eden Smerden Achievement Award in Key Stage 1. Well done to him.

SATS

The year 6 children did wonderfully well in their SATS last May. All the children who took the tests in Reading, Grammar and Mathematics, reached the Expected Level or above and many achieved "**Greater Depth**" in all areas. This was an amazing achievement and it was the best a cohort has performed for many, many years. It would not have been possible without the children's strong work ethic, excellent parental support and more importantly, the phenomenal efforts of Mrs Galley, Mrs Dunne and Miss Schumacher. They worked so incredibly hard, in helping each child to reach their individual potential. The year 6 can now move on to secondary school full of confidence.

Leavers' Service

At the Leavers' Service, the following children were presented with the awards -

Adam Dunning Friendship : Ayda Crilly (voted by their peers)

Sports Award : Oliver Madden and Ayda Crilly

Reading : Hettie Brodie

Maths : Fraser Grey and Poppy Bedwell

Staff Prize : Eva Gill

Whole School Achievement : August Rankin

Governors' Shield : Harvey Banks

Christian Character Award : Bronte Massam

Autumn Term

For your information, the school re-opens on Wednesday 4th September at 8-55am.

There will be a Breakfast Club from 7-30am.

Personal Statement

I would just like to say a massive thank you, to everyone who has supported me over the years. I couldn't have done it without you.

It only seems like yesterday when I took over as head teacher at Halsall St Cuthbert's.

I've been fortunate enough to have appointed some incredibly talented and committed staff, many of whom are still here. It is they that have made the school what it is today, a very popular and high-achieving school with a fantastic reputation across West Lancashire. Being judged "Outstanding" in the last two OFSTED inspections is testament to that.

It is with great sadness that I leave Halsall, but time moves on. I feel that I am leaving the school in a very strong position. In addition to wonderfully committed and stable staff, I leave an exceptionally healthy budget, excellent facilities, fabulous children and many wonderfully supportive parents. I leave with thousands of wonderful memories of Halsall St Cuthbert's and I will miss it immensely.

I'm confident that Miss Hampson will prove to be a very capable replacement and she'll continue to move the school forward in the years ahead.

Finally, I'd like to thank the church for my leaving gift, Rev Susan for her kind awards at the Year 6 Leavers' Service and a huge, huge thanks to the staff, for making my last 2 weeks at Halsall St Cuthbert's so memorable and emotional.

I must admit, I have also been so overwhelmed with the amount of presents and e-mails, letters and cards (many from past parents and staff) wishing me well in my retirement and thanking me for my commitment to the school over the past 2 decades and more. It has been an incredibly humbling experience.

Thanks again and God Bless.

Halsall Proud & Tidy Group

Lots of effort has been put in by many residents over the last few months to improve areas all around the village. Many thanks to all concerned. Your help has been invaluable in both improving our surroundings and also in strengthening the sense of community spirit in our beautiful village. Long may it continue and grow - (except for the weeds of course)

Let's hope the Lancashire Best kept Village judges agree!
We won't know any results until October but fingers crossed until then.

You may have seen a new notice board which has been put up at the Memorial Hall depicting the history of Halsall. The story of each feature is told in a very engaging way in the character of a past resident who lived in the village. In addition, there is a QR code for each image so the topic can be explained further for those who are interested.

Our group applied for funding from our Parish Council to help pay for the project and with a great deal of help from our Halsall History Group the idea became reality. A second copy will be put up at the Saracens Head for all to see.

Yes - we have a village to be proud of both historically and right up to the present day.

The Bees and Butterflies Brigade (September 2024)

The Bs have had a productive summer working on the canal bank near The Saracens Head. In June we cleared the bank of brambles and discovered the existing sandstone rockery which had been hidden beneath the undergrowth – a real bonus to our plans. New planting has helped to make the rockery attractive again, and we have extended the planting into the front garden of the pub. We have used pollinator-friendly garden plants combined with a few ornamental grasses, which add texture and movement to the design. Most of the plants will flower in shades of blue, yellow and white – colours that bees find very attractive.

If you look carefully when you are passing, you'll see that we have added a house for solitary bees in the border. As their name suggests, solitary bees don't live in colonies like bumblebees or honeybees. They don't make honey and don't serve a queen, meaning that they aren't aggressive (in fact most of them do not have a sting at all). The role of the males is to mate with a female, who then works alone to build her own nest. She will search for a crevice in soil, walls or wood and create up to forty individual cells. Into each cell she will place food and then lay a single egg, sealing up the cells as she goes. The young larvae will then develop and overwinter within the cells, to emerge as the next breeding generation the following spring.

Adding a bee box like these to a sunny, sheltered wall or fence near plenty of flowering plants and trees can really support our precious solitary bees as nesting holes become harder to find. We have made our own and have some to spare so if you'd like one in your garden please contact Conor or myself on the email address below – we'd be delighted to hear from you.

We are excited to be doing some more bee-friendly planting during our September meeting, **Sunday 22th September at 2pm**, when we'll be back in St. Cuthbert's Memorial Garden. It's a lovely place of dappled shade and shafts of sunlight – come and enjoy it, make friends and help nature at the same time. Please join us if you can – new members are always welcome.
