		HALSALL PARISH COUNCIL
	Wedn	Minutes of Halsall Parish Council meeting held on esday 11th December at 7:30 pm at St Aidan's Hall, Renacres Lane, Halsall.
		PRESENT: Cllr M Lyons (Chair), Cllr R Brookfield, Cllr N McCarthy-Thomason, Cllr J Ferguson, Cllr D Adams, C Pyne (Clerk) and C Smith (Asst. Clerk)
1.		Introductions and Apologies for Absence
<u></u>		Cllr E Wright (Vice Chair), Cllr K Wright, Cllr M Schofield, Cllr A Timon and Cllr B Roberts.
		Cathy Smith was introduced as the new Assistant Parish Clerk.
		Meeting was relocated from Memorial Hall to St Aidan's Hall due to damage from Storm Darragh.
2.		Declarations of Interest
		None.
3.		Open Forum
	3.1	West Lancs Borough Councillors
		The Clerk reported on replies from Borough Councillors. They are working on several issues and concerns from residents, but these are confidential. Borough Councillors are always willing to attend parish council meetings to advise on any specific issues which the Parish Council wishes to raise. The Councillors read the agenda and will attend if they think they can assist with any issue.
	3.2	Open Public Forum No questions
4.		To confirm and sign the Minutes of the meeting held on 13th November
••		Agreed and signed at the end of the meeting.
5.		Discuss and agree on any matters arising from Parish Clerk's Report
	5.1	Update on Remembrance Sunday Reviewed at the December Trust meeting, it was agreed that we should order more healthy and vegetarian food options next year.
	5.2	DHSC Defibrillator Grant (c. £750)
		Further details of this scheme reveal that we must pay more than the commercial cost of an older model defibrillator to obtain a "free" external cabinet. This might cost more in the longer term due to difficulties in obtaining spare parts, replacement batteries and consumable pads. The Council will not apply for the grant.

Signed Chair Date

	5.3		The Clerk thanked all councillors for their various contributions to the incidents at the Memorial Hall due to Storm Darragh on 7th December. The Council agreed to send Thank You letters to the residents who also assisted with the 3 fallen trees. Dealing with all these incidents (Insurance Claim for Memorial Hall roof, finding contractors, emergency repairs etc) has disrupted planned activities, we will defer these to the January meeting.  The Council agreed to pay overtime for the Clerk for additional hours worked between 7th and 9th December. Details to be agreed.
	5.4		With reference to item 5.6 in November, it was urgent to install the additional power sockets in the main hall before the new floor was fitted. Expenditure of £160 was noted.

			Cllr A Timon
			No meetings.

			The contractors have fitted the new flooring in St Aidan's Hall. The Council agreed to pay an extra cost of £280 + VAT for waste disposal which had not been included in the quote.  The switching on ceremony for the Christmas Lights incurred some last-minute
			expenditure. Cllr McCarthy-Thomason had to purchase a replacement electrical connector and tea urn. Noted for Cllr Expenses claim.
	6.4		St Cuthbert's Church Committee
			Cllr M Schofield No meetings
7.			To receive reports from Working Groups and agree upon any actions arising;
	7.1		Finance
			Cllrs. M Lyons, E Wright, A Timon, and K Wright
		a)	To Review Draft Budget 2025/26 and Precept Calculation
			The Clerk explained the process for building a budget and the Precept calculation. Councillors asked questions about the proposed reductions in some budget lines. The final figure for the Precept is linked to the end of year outturn, currently expected to be £1000 to £2000 surplus, we will review again in January. This leads to a 7-10% increase in the Precept (£3 - 4,000) in the context that we reduced the Precept by 10% last year. Increased wage

Dear Mr Pyne

#### New Signage, Shirdley Hill Village, Halsall

Thank you for your email dated 12 December 2024, regarding possible signage in Shirdley Hill Village, Halsall.

We are not aware of an increased number of agricultural premises along Renacres Lane, that would indicate an increased presence of tractors. Drivers travelling through this area should expect to encounter these types of vehicles, in such a rural/semi-rural location.

On review of this location, we do not have any road safety concerns related to farm traffic manoeuvring or otherwise. In this instance, there have been no recorded injury incidents at this location within the past 5-year period. With the road appearing to be operating satisfactorily, in terms of road safety.

We acknowledge that Renacres Lane, like many rural areas, has individual property and field entrances likely used by traffic. However, our records show that these entrances do not pose a significant concern for vehicles using them, or the surrounding network.

Given the information above, we do not consider signage is required at this location, at this current time.

I hope this clarifies our position.

Yours sincerely

Mark Stephenson

### HALSALL PARISH COUNCIL

### **Guidelines for Grant applications**

Section 137 of the Local Government Act 1972 allows the Parish Council to spend a limited amount on activities which the Council considers 'will bring direct benefit to the area, or any part of it, for all or some of its inhabitants'. The benefit obtained should be commensurate with the expenditure incurred. A range of grant applications from £30 to £500 can be considered.

- Grant applications are available to organisations for charitable, social, cultural, recreational, or philanthropic purposes. Business projects cannot be supported.
- The Parish Council will consider the application at its next meeting.
- Any payments made are subject to the budgetary constraints of the Parish Council and can only be made by BACS payment.
- Applications and decisions will be recorded in the Parish Council Minutes which are available for public inspection.
- Applications should be made in writing to <a href="mailto:halsallparishclerk@gmail.com">halsallparishclerk@gmail.com</a>. Please include the following information.

5.	Purpose of the Grant:
	To buy top soil, organic soil improvers and shade-loving plants so that we can
	continue to develop the woodland garden in St. Cuthbert's churchyard. We have
	already planted about 80 square metres of spring-flowering, nectar-rich plants and
	bulbs to help bees and other beneficial insects, but would like to extend the area of
	planting further this spring.
6:	Amount of Grant: £500
7.	Identify the benefit to some or all of the residents of Halsall:
	Our members are realising that being part of a group that helps nature is really
	rewarding – they are socialising with others whilst learning how good it feels to be
	connected to nature. For some of our members, being part of the group is combatting
	loneliness; for others it offers activities that the whole family can take part in. This
	year I'm going to try to teach them the names of the wildflowers/minibeasts/birds that
	are there, why they are important and why we should respect them.
